

AJUNTAMENT DE DEIÀ
ILLES BALEARΣ

MUNICIPAL ANNOUNCEMENT

ACCESS TO THE SÓLLER LOW EMISSION ZONE

All residents of the municipality of Deià are hereby informed that, in order to facilitate administrative procedures between public administrations regarding access for Deià residents to the Sóller Low Emission Zone with their vehicles, it is necessary to obtain the express authorization of residents for the Sóller Town Council to access data related to the Vehicle Tax (Road Tax) held by the ATIB (Balearic Islands Tax Agency).

To this end, interested parties must appear in person at the Deià Town Council offices during normal public opening hours, where they can sign the corresponding authorization.

This authorization will exclusively permit the consultation of the data necessary for the aforementioned administrative purposes, in accordance with current data protection regulations.

Residents' cooperation is requested to expedite this process.

This is made public for general information.
